RESPONSE TO NOTICE TO COMPLY

Dear Sir:

In a Notification to Comply with Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures, mailed on January 2, 2004, Applicants are invited to make certain formality changes in the sequence listing. Submitted herewith are a paper copy and a computer readable form of the sequence listing incorporating the changes specified in the Notice. A statement required under 37 C.F.R. 1.812 (f) and (g) as well as a copy of the Notice are also enclosed.

A petition for one month extension of time accompanies this response so that the response will be deemed to have been timely filed. If any other extension of time is required

in this or any subsequent response, please consider this to be a petition for the appropriate extension and a request to charge the petition fee to the Deposit Account No. 17-0055. No other fee is believed to be due in connection with this response. However, if any fee is due in this or any subsequent response, please charge the fee to the same Deposit Account No. 17-0055.

Respectfully submitted,

Jacques Drouin, et al.
